### The-Strict-Enforcement-of-Rules-Concerning-Regulated-Imports

Dear Valued Customers,

As part of our commitment to compliance with Bureau of Customs regulations, we would like to remind you to verify the regulatory requirements for your imported goods.

Prior to importing any product, it is essential that all importers verify and ensure that the necessary permits and licenses have been obtained for the item being imported. **No product should be imported without confirming if the item is regulated and requires permits or licenses.**

**Failure to adhere to these requirements may result in delays, penalties, confiscation of goods or other legal consequences.**

For your guidance, you may refer to the following resources:
